Briller Pyrotechnics was founded in 2009 by Juventino Ramírez Pérez with the goal of creating world-class, creative, and innovative pyrotechnic displays, always recognizing that human capital is its most valuable asset.

Today, with 17 years of experience in the pyrotechnics industry, Briller Pyrotechnics has established itself as a trusted partner for premier events, large-scale productions, and memorable experiences.

By combining cutting-edge technology, specialized infrastructure and highly skilled professionals we create extraordinary pyrotechnic displays that transform every event into a powerful emotional experience. From the initial concept and creative design to technical planning and flawless execution, every detail is carefully orchestrated to exceed expectations and deliver outstanding results.
